

Adopt a lady's slipper

Lady's slipper
& habitat rescue

**Help save and restore
showy lady's slippers to the
Lady Slipper Scenic Byway**

If you have ever traveled the Lady Slipper Scenic Byway (Beltrami Co 39/Cass Co 10) in late June or early July, you know it is worthy of its name. The Lady Slipper Scenic Byway Committee has been working with the Chippewa National Forest, Beltrami County Highway Department and others on a plan to salvage, store and return showy lady's slippers to the roadway after the highway reconstruction is complete. This will be a multi-year effort, and will require a number of resources, including funding. Be a part of the effort by symbolically adopting our state flowers! The suggested adoption fee is \$10 per plant. Donors will be recognized on this web site. Questions? Call 218-835-4291

Please consider the following categories:

- Adopt singles! 1 - 9 plants
- Adopt groups! 10 - 49 plants
- Adopt colonies! 50 - 99 plants
- Adopt multiple colonies! 100 plus plants

Lady Slipper Scenic Byway is a 501(c)3 organization
